

HOPE

90 capsules

Proprietary Blend

Sheep Sorrell Herb

Has been known to prevent the spread of contagious diseases. Can be effective in the fight against cancer. Can be a good remedy for stomach hemorrhage and profuse menstruation. Contains high amounts of vitamins A and B Complex, C, D, E, K, P and Vitamin U. Also contains chlorophyll which carries oxygen throughout the bloodstream.

Burdock Root

Powerful blood purifier. Helps the liver break down excess hormones. Decreases inflammation. Helps to clear persistent acne.

Rhubarb Root

Can be used as a treatment for chronic blood diseases. Increases salivary and gastric flow. Improves appetite and cleanses the liver by encouraging bile flow. Strengthens the gastrointestinal tract, and tones and tightens bodily tissues. Ideal for disorders of the colon, spleen, and liver. By its cleansing action, encourages the healing process of duodenal ulcers and enhances gallbladder function.

Red Raspberry Leaves

Good for females as it strengthens the uterine wall during pregnancy. Eases menstrual cramps, and regulates the flow during menstruation.

Noni Fruit

Helps with lumbago, asthma, and dysentery. Helps to regulate menstrual flow and ease urinary problems. Can help skin wounds, abscesses, gum and throat problems, respiratory ailments, constipation, fever, and stomach pains.

Slippery Elm Bark

Helps ease irritation and helps body tissue heal. Good for the respiratory system. Helps relieve gastro-intestinal irritation and many urinary problems.

Milk Thistle

Repairs liver cells. Milk Thistle Seed, protects and regenerates the liver in most liver diseases such as Hepatitis, Cirrhosis (hardening of the Liver), Jaundice, and Cholangitis (inflammation of bile ducts resulting in decreased bile flow). It not only protects each cell of the liver from incoming toxins, but simultaneously encourages the liver to cleanse itself of damaging substances, such as alcohol, drugs, medications, mercury and heavy metals, pesticides, and anesthesia.

Quercetin Dihydrate

Reduce complications due to diabetes such as diabetic cataracts, neuropathy and retinopathy.

Olive Leaf

Boosting energy and aiding in the treatment of herpes and other viral conditions, flu and colds, fungal infections, chronic fatigue and allergies.

Odorless Garlic

Normalizes blood pressure, natural antibiotic.

Dandelion Root

Decreases water retention and bloating, restores lost potassium.

Protease, Amylase and Lipase Fungal

Aids in the digestion in the stomach and intestine. Reduces inflammation and assists immune function and help enzymes to digest bacteria toxins and partly digested proteins.
